## **911 Center Request for Exemption from Registration**

Due to the shortage of manpower in our 911 Center, it would place an extreme burden on our center to have a representative present at the S.C. Criminal Justice Academy's registration for 911 Basic Telecommunications classes. We are therefore requesting that we be approved to mail 911 Application Packets to the Academy rather than have a representative present at registration. We understand that, if approved, documents must be received by the S.C. Criminal Justice Academy no later than the Monday of registration week.

Please forward to the **Academy's Basic Training Unit, Attention Bridget Stewart**
